

Toddler class newsletter

DEAR TODDLER TEACHERS.

This month we have a lot of fun things planned for the classroom. Through the month of August, we will be learning all about me. This includes, body parts healthy foods, emotions, families and much more.

Curriculum

- Theme: All about me
- Color: Purple
- Letters "A" and "B"
- Morning song: "All of me"
- Favorite book: "Green eggs and ham"

Transitioning

As our friends are getting older and becoming potty trained, and more confident in themselves they will start to transition into our preschool room. We ask that you please drop your child off in the two's room to help your child slowly transition.

If you do have any questions about this than please talk with Maysa in the office.

Reminders

- As the weather is changing and we are approaching cold and flu season please remember the school has a fever AND medicine free policy. This means your child will have to stay home from school until they are fever free for 24 hours without any medication.
- Please check your child's cubbies to make sure they have the right clothing in the box and that it is the correct sizes.
- Please keep all toys at home. If your child would like to bring an item from home, please encourage a book for circle time.
- Please make sure you are taking your child's water bottle and bedding home on Friday and washing it before returning it on Monday.
- When it is your child's birthday we are more than happy to celebrate with your child. If you would like to bring in a classroom treat please do not bring cupcakes. Mini muffins, mini cookies, or fruit are all a great alternatives.
- Please bring your child to school before 9am so they are able to be included in all the morning activites. If you are needing to bring your child late please let the school know as soon as possible.

Ending notes

We will be closed September 2nd for labor day. We look forward to another amazing month with your children.
